and desiring to establish the nature of the use and enjoyment of said property, hereby declares that the following covenants, conditions, restrictions and reservations, hereinafter sometimes referred to as "restrictions" shall attach to said real property, and shall form a general plan, and shall constitute covenants running with the land. Declarant anticipates selling and conveying, from time to time, portions of the above described property, and any such portion shall hereinafter be referred to as "parcel" and these restrictions shall apply to any and all parcels on the same basis regardless of size.

1. Said parcels are hereby restricted to single family residential dwellings for single family residential use; agricultural type structures and improvements, including barns, for agricultural use; ranching type structures and improvements for ranching use. All buildings or structures erected, placed or permitted upon said premises shall be of new construction and no buildings or structures shall be moved from other locations onto said premises. No structure of a temporary character, trailer, tent or shack shall be allowed on any parcel, nor shall any basement, garage, barn or other outbuilding be used at any time as a residence either temporarily or permanently without express written permission from the "Committee of Architecture", hereinafter provided for:

2. Notwithstanding any provisions herein contained to the contrary, it shall be expressly permissible for a builder, or Declarant or its designee, to maintain in an orderly condition during the period of construction (not to exceed 150 days) upon such portion of the parcel as such builder or Declarant or its designee may choose, such facilities as may be reasonably required, convenient or incidental to the construction of the improvements.

3. No pigs or swine shall be bred, raised or allowed on any parcel; not more than two goats or sheep shall be bred, raised or allowed on any parcel; not more than 25 horses for each 10 acres owned shall be bred, raised or allowed thereon; no chickens, other than as domestic pets, shall be allowed to run at large.

4. No advertising signs (except one of not more than two square feet "for rent" or "for sale" sign per parcel) shall be erected, placed or permitted on any parcel without the express written consent of the said Committee of Architecture. No billboards, unsightly objects or nuisances shall be erected, placed, allowed or permitted to remain on any parcel, nor shall any parcel be used in any way for any purpose which may endanger the health or unreasonably disturb the buyers or owners of any parcel. The Declarant or its designee shall have the right to inspect any and all outbuildings which house either fowl or animals to determine if such is being maintained in a sanitary condition. If such conditions are not deemed to be clean and sanitary, then the Declarant or its designee shall so inform the owner of such premises, in writing, of the conditions to which it objects, and the owner shall have a period not to exceed fifteen (15) days, from date of such notice in writing, to remedy and correct the unclean or unsanitary condition of the premises to the full and complete satisfaction of the Declarant or its designee. Further no business or commercial activity, other than the conducting of a farm, ranch, dude ranch or horse stables shall be permitted. Nothing herein contained shall be construed to prohibit the conducting of a medical, dental or legal office on any parcel. Provided, further, however, the foregoing covenants shall not apply to the business activities, signs and billboards or the construction and maintenance of buildings, if any, of the Declarant or its designee.

5. All rubbish, trash, garbage or other waste material shall be removed forthwith and shall not be allowed to accumulate on any parcel. Failure to comply with this provision automatically grants a right to Declarant or its designee to enter upon any parcel for purposes of removing said rubbish, trash, garbage, or other waste material and all expenses so incurred by Declarant or its designee shall be a charge against the parcel and until paid shall constitute a lien upon the parcel which may be foreclosed pursuant to the laws governing mechanics' liens. Unless evidence of said lien is properly recorded in the Archuleta County Recorder's office, third parties shall have no duty to make inquiry as to the existence of any such lien.

6. When, as and if, any central water and/or sewage system comes into existence, all buildings required to have plumbing, as provided herein, shall be connected to said system(s) at buyer's or owner's expense within six months of the date the system(s) is respectively available for hook-up. After such facilities are available, no construction shall commence unless and until arrangements for hook-up and any connection charge has been paid to the appropriate owners of the systems.

7. No structure of any kind for the housing of animals or fowl shall be located closer than 100 feet from any parcel boundary line; no structure of any kind for the housing of animals or fowl shall be located closer than 25 feet to any residential dwelling even though a residential dwelling shall be located upon the same parcel and under the same ownership as a structure for the housing of animals or fowl.

8. Not more than three residential dwellings shall be erected, placed or permitted per acre; no residential dwelling shall be located closer than 55 feet from any parcel boundary line; no residential dwelling shall be located closer than 20 feet to any other residential dwelling. No residential dwelling shall contain less than 1,000 square feet of actual living area. No structure of any kind shall exceed 25 feet in height.

9. No parcel shall be divided into any subparcels by a subdivision plat thereof, or otherwise, until the purchase price due Declarant, its successors or assigns, has been paid in full.

10. No building, fence, patio or other structure shall be erected, altered, added to, placed, or permitted to remain on any parcel until and unless the plans thereof showing floor area, external design, structural details, a section through the building, foundation plan, and a plot plan showing location of the proposed improvement, in proper scale to the dimensions of the property upon which it is being placed, shall have been first delivered and approved in writing by a majority of the Architectural Committee hereinafter sometimes called "Committee". If the plans and specifications are not disapproved in writing within 45 days from the date of their submittal to the Committee, said plans and specifications shall be deemed to be approved. The Committee may require a reasonable fee prior to checking and approving said plans and specifications. Declarant or its designee shall appoint the Committee of Architecture. The Committee is to consist of not less than three persons, the initial members of which shall be: GORDON BENEDICT, CALVIN C. PERKINS and RAYMOND L. LANDEUM; and Declarant or its designee shall have the power to expand the Committee and fill any vacancy on the Committee caused by death, resignation, disability or the election of Declarant or its designee. The Committee shall adopt reasonable rules and regulations concerning its conduct, hours of availability to such persons requiring its service and it shall provide for such meeting as may be necessary in the orderly pursuit of its tasks. Such rules and regulations may be changed from time to time by a majority vote of the Committee but none of such rules and regulations or amendments thereto are to be construed or deemed a part of these restrictions. It shall be the general purpose of the Committee to provide for the maintenance of a high standard of architecture and general construction in such a manner as to enhance aesthetic properties and structural soundness; and the Committee's decision to allow or deny the construction of any building, fence, patio or other structure shall be final. All appropriate structures shall conform to the requirements of the Uniform Building Code as published by the International Conference of Building Officials and the National Electrical Code, as published by the National Fire Protection Association,

current editions. In the event the County of Archuleta, or other governmental type body having jurisdiction, has a code in conflict with the provisions hereof, the code shall prevail when by complying with these restrictions a violation of minimum standards as set forth in the code would occur. Notwithstanding any other provisions hereof it shall remain the prerogative and in the jurisdiction of the Committee to review applications and grant approval for exceptions to these restrictions. Variations from these restrictions may be made when and only when such exceptions, variances and deviations do not in any way detract from the appearance of the parcels and are not in any way detrimental to the public welfare, value or to the property of other persons located in the vicinity thereof, all in the sole opinion of the Committee.

11. Any permanent structure designed for human habitation must contain at least one bathroom installed within the confines of the permanent structure; said bathroom is to contain at least one water closet, lavatory, bathtub and/or shower stall facilities. All structures for human habitation must have a water supply which complies with the State of Colorado and County of Archuleta regulations, if any, and approved by the Committee. No outside toilets or privies shall be allowed to service any permanent structure for human habitation.

12. The restrictive covenants, conditions, limitations and agreements herein contained shall run with the land for a term of twenty (20) years from the date these restrictions are recorded, after which time said restrictions shall, unless terminated by the record owner, automatically renew for a term of ten (10) years and shall be binding upon all persons purchasing, leasing, owning or occupying any lot or lots. Provided, however, that the violation or breach of any covenant, restrictions, reservation and/or condition, or any right of re-entry by reason thereof, shall not defeat nor render invalid the lien of any mortgage or deed of trust made in good faith and for value upon said parcel or portion thereof. Each and all of said covenants, restrictions, reservations and conditions shall be binding upon and effective against any owner of said premises whose title thereto is acquired by foreclosure, trustee's sale, or otherwise, and provided also that the breach of any of said covenants, restrictions, reservations and conditions may be enjoined, abated or remedied by appropriate legal proceedings, notwithstanding the existence of any lien, deed of trust or mortgage instrument. These restrictions may be enforced by any person, whether natural or corporate, who has a legal or equitable interest in any parcel; further these restrictions may be enforced by Declarator or its designee whether or not it has a legal or equitable interest in any parcel. Failure to enforce any restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter. Any and all instruments of conveyance of any interest in all or part of any parcel shall contain reference to this instrument and shall be subject to the covenants, restrictions, reservations and conditions herein set forth as fully as though said terms and conditions of this instrument were therein set forth in full; provided, however, that the restrictive covenants, terms and conditions of this instrument shall be binding upon all persons affected by the same whether express reference is made to this instrument or not.

13. These restrictions may be amended by an instrument signed by the owners of record title of not less than 75% of the land described on the first page hereof. Any amendment must be properly recorded.

14. The invalidity of any one of the covenants, restrictions, reservations or conditions herein contained by judgment, decree or court order, shall in nowise affect the validity of the remaining provisions of this instrument and the same shall remain in full force and effect.

15. The provisions herein contained shall be binding upon and inure to the benefit of all parties and parcels affected by these restrictions.

For the purpose of this Supplemental Declaration the term "lot" shall mean and include any and all townhouses and condominiums platted of record, any and all timeshare units platted of record, and any and all land subdivided and platted of record as single family residences;

WITNESSETH:

WHEREAS, Declarant is the developer of that certain resort development known as "Fairfield Pagosa" located in Pagosa Springs, Archuleta County, Colorado; and

WHEREAS, Declarant has conveyed the legal title to certain properties in Fairfield Pagosa to Title Company pursuant to a Title Clearing Agreement dated June 21, 1983 for the purpose of providing a convenient method of conveying title, releasing encumbrances and protecting the interest of the parties as their interests may appear; and

WHEREAS, Declarant is the developer of certain lots in the subdivisions hereinafter enumerated, which subdivisions are located in Fairfield Pagosa,

Plats of said subdivisions being recorded in the Archuleta County Recorder's Office in the Books at the Pages hereinafter enumerated, the aforesaid subdivisions and the recordation data of the respective plats and Declaration of Restrictions being attached hereto as Exhibit A; and

WHEREAS, Declarant is also the owner and/or developer of certain unnumbered land or lands in Fairfield Pagosa which lands are intended for commercial, multiple dwelling, condominium or hotels, or recreational uses; and,

WHEREAS, certain of the aforesaid unnumbered land or lands have been developed by Declarant as recreational amenities; and,

WHEREAS, Declarant may hereafter develop other of said lands as recreational amenities; and,

WHEREAS, the recreational amenities hereinabove referred to include or may hereafter include but shall not be limited to, dams, lakes, beaches, golf courses, tennis courts, swimming pools, club houses and adjacent clubhouse grounds, and campgrounds; and

WHEREAS, the aforesaid recreational amenities are provided to further and promote the community welfare of property owners in Fairfield Pagosa; and

WHEREAS, any or all of the aforesaid recreational amenities may be conveyed by the Declarant or the operation thereof may be transferred to one or more non-profit property owners associations, whereupon the maintenance, repair, and upkeep, of such recreational amenities will be provided by said association(s); and

WHEREAS, Declarant desires to insure the maintenance, repair, and upkeep of such recreational amenities until such time if ever, as any or all of such recreational amenities may be conveyed or the operation thereof transferred to one or more non-profit property owners associations; and

WHEREAS, Declarant also desires to insure that all purchasers of lots in the subdivisions hereinafter enumerated in Exhibit A will be members of the Pagosa Property Owners Association, a Colorado non-profit corporation, hereinafter referred to as "Association";

NOW, THEREFORE, Declarant hereby declares that all numbered lots in the aforesaid subdivisions listed on Exhibit A attached hereto (1) owned by Declarant or Title Company at the date and time of recordation of this Supplemental Declaration or (2) hereafter acquired by Declarant or Title Company, its successors and assigns, are held and shall be held, conveyed, hypothecated or encumbered, leased, rented, used, occupied and improved subject to this

Supplemental Declaration as well as to the applicable Declaration of Restrictions hereinafter set forth in Exhibit A attached hereto; provided however that any lot heretofore sold by Declarant for which a deed has not been recorded shall not be subject to this Supplemental Declaration (unless hereafter acquired by Declarant, its successors or assigns) provided that the deed for such lot is recorded without reference therein to this Supplemental Declaration.

THE COVENANTS, CONDITIONS AND CHARGES HEREBY IMPOSED UPON SUCH LOTS ARE AS FOLLOWS:

Article I. Recreational Amenity Fee

Section 1. Power to Levy Fee. The Declarant shall have the power to levy against each lot subject to the provisions hereof an annual charge, the amount of said charge to be determined solely by the Declarant after consideration of current and future needs of Declarant for the reasonable and proper maintenance, repair and upkeep of all recreational amenities owned by the Declarant or Title Company and actually provided at the date of the levy of such charge. The recreational fee may be collected for the Declarant by one or more designated property owners associations as a part of their common expenses.

Section 2. Successors and Assigns. The power to levy such charge shall inure also to the successors and assigns of each such recreational amenity, provided however, that no charge shall be levied by any such successor or assign within twelve (12) months following the date of levy by Declarant or by the predecessor in title to such successor or assign of a charge as provided herein for the maintenance, repair, and upkeep of the recreational amenity or amenities acquired by such successor or assign.

Section 3. Entities Not Subject to Fee. No such charge shall ever be levied against lots owned by the Declarant or Title Company, by any non-profit property owners association, or by any corporation or corporations that may acquire title to or operate any water or sewer utilities serving the area, or any dams, lakes, beaches, golf courses, tennis courts, swimming pools, club house grounds, or other like recreational facilities, regardless of whether such facilities are used by persons other than lot owners.

117710

Section 4. Liens. Charges to be levied by the Declarant, its successors and assigns, for the maintenance, repair and upkeep of the recreational amenity or amenities during the ensuing year shall be determined on or before the first day of each year. Each such charge shall become a lien or encumbrance upon the lot upon which same is levied as of the aforesaid first day of January, and acceptance of each deed for a lot or the execution of the Contract of Purchase for a lot, shall be construed to be a covenant by the lot owner or lot purchaser to pay each such charge. Any lot acquired shall be taken subject to the lien for any unpaid prior charges, and every person who shall become the owner of the title, legal or equitable, to any lot subject to such a charge by any means whatsoever (other than a mortgagee under a mortgage or a trustee under a Deed of Trust) shall be deemed conclusively to have covenanted to pay to Declarant, its successors or assigns, any such charge or charges. However, if a mortgagee or trustee under a Deed of Trust should, through foreclosure or otherwise, become the equitable or real owner of the lot, he will then be subject to all provisions of these Covenants.

Section 5. Payment. Each such charge shall become due and payable on the first day of March of the year in which such charge is levied, and each such charge shall bear interest from its due date at the highest rate of interest allowed by law, which interest until paid shall also constitute a lien or encumbrance upon the lot to which said charge is applicable. Such charge shall be pro-rated from the date of execution of the lot purchase contract.

Section 6. Place of Payment. Payment of all charges provided for herein, whether levied by Declarant, its successors or assigns, shall be made to Declarant, its agents, successors, or assigns at Fairfield Pagosa, P. O. Box 4100, Pagosa Springs, Colorado, 81157 or to such replacement address or addresses of Declarant, its agents, successors or assigns as may be designated by Declarant.

Section 7. Remedies. The lien of each charge as provided for hereunder may be foreclosed by Declarant, its successors or assigns, at any time following the due date of the charge levied. In addition and as an alternative to the remedy of lien foreclosure, the Declarant, its successors and assigns, shall have the right and option to sue the lot owner or lot purchaser and any successor owner or owners of same for any and all unpaid charges, interest, costs and reasonable attorney's fees, in any court of competent

jurisdiction as for a debt owed by such lot owner or lot purchaser or successor lot owner or lot purchaser to Declarant, its successors or assigns.

Section 8. Priority. Any and all liens as provided for in this item shall be subordinate to the lien of a bona fide mortgage or Deed of Trust representing a first lien at any time placed upon any lot for the purpose of permanent financing provided said mortgage or Deed of Trust is recorded in accordance with the laws of the State of Colorado.

Section 9. Record Keeping. All funds accumulated from the charges levied hereunder by the Declarant, its successors and assigns, shall be separately reflected on the books of account of the Declarant or any other such owner, if any, of said amenities as pertaining to the recreational facilities of the subdivision.

Section 10. Suspension of Privileges. Declarant, its agents, successors or assigns shall have the right to publish a list of lots subject to charges hereunder, which charges are in a delinquent status; and Declarant, its successors and assigns, shall have the right to suspend the use of all recreational facilities owned by Declarant, its successors and assigns, by any person or persons basing the right of use of such recreational facilities upon the ownership or possession of any such lot for which charges provided for hereunder are delinquent.

Section 11. Use Fee. Nothing contained herein shall be interpreted or construed to prevent Declarant, its successors or assigns, from charging any user for the use of any amenities owned or operated by them, or any of them; including charges for individual services or goods provided users through such facilities.

## Article II. Pagosa Property Owners Association

Section 1. General. The Pagosa Property Owners Association, Inc. is a Colorado non-profit corporation which is organized for the benefit of the residents and owners of property within the Fairfield Pagosa Resort to promote community welfare, strengthen and enhance property values and operate and be responsible for certain of the common areas.

Section 2. Membership in the Association. Every person acquiring legal or equitable title to any Lot shall automatically be a member of the Association, subject to the requirements imposed by these Covenants and the Articles,

Bylaws, rules and regulations of the Association. The provisions of this Section 1 will not apply to any persons who hold an interest in any Lot solely as security for the performance of an obligation to pay money, such as mortgages or deeds of trust. However, if any such person should, through foreclosure or otherwise, become the equitable or real owner of the Lot, he will then be subject to all provisions of these Covenants.

Section 3. Powers and Duties. The Association will have the powers and duties set forth in its Articles, Bylaws, rules and regulations, and applicable Declaration of Covenants and Restrictions, including the power to assess its Members, and the duty to maintain parks, recreational facilities and provide such other community services such as police and fire protection as it determines advisable. If the Association does not properly perform any of its required duties, Declarant shall have the right, but not the obligation, to perform such duties.

Section 4. Assessments.

- (a) Lots Subject to Assessments. All Lots subject to the provisions hereof shall be subject to assessments by the Association. However, no assessment shall be payable by Declarant, the Title Company, or the Association itself. In addition, neither Declarant, the Association, or any other entity shall pay assessments for portions of the Property utilized for public water or sewer services, community waterways, nonexclusive beaches, access tracts, marinas, golf courses, tennis courts, swimming facilities, clubhouses or grounds, campgrounds or other similar recreational facilities so designated by Declarant on any recorded plat or subsequently recorded document.
- (b) Basis of Assessments. The Association will adopt a budget at the beginning of each fiscal year and will set assessments for the year sufficient to fund its budgeted operations. The Association will then set the level of assessment for each Lot in a manner which equitably shares the expenses of the Association's operations based on the benefit each Lot derives from the Association, its size, value and other pertinent factors determined by the Association. Lots determined by the Association to be comparable will be assessed equally. The Association will promptly notify Lot Owners of their Lot's assessment by the first day of April each year.

- (c) Payment. All assessments are payable annually on or before the first day of May each year. Every person who shall become the legal or equitable Owner of a Lot subject to assessments hereunder by any means is, by the act of acquiring such title, or by the act of contracting to acquire such title, held to have agreed to pay the Association all charges that the Association shall make in accordance with these Covenants. If such payment is not made when due, it shall bear interest from the due date at the rate of 12 percent per annum. Until paid, such charges, together with costs and reasonable attorneys' fees required to secure payment thereof, shall constitute a perpetual lien on and against the Lot charged. The Association may publish the name of a delinquent Member and may file notice that it is the holder of a lien to secure payment of the unpaid charge plus costs and reasonable attorneys' fees and may foreclose the lien in accordance with the laws of the State of Colorado. The Association shall, upon demand at any time, furnish a list of Members who have paid such assessments or of such Members who are then delinquent in payment of such assessments.
- (d) Priority. The lien for unpaid Association assessments shall be junior and subordinate to any properly recorded First Lien on any portion of Fairfield Pagosa. However, all assessments coming due after any holder of a First Lien acquired actual or equitable title through foreclosure or otherwise shall constitute a lien on the lot involved as provided above. The Declarant's lien for unpaid recreational assessments provided in Article I and the Association's lien for unpaid assessments provided in this Article II shall be concurrent and on equal parity.
- (e) Suspension of Voting Rights. The Association shall have the right to suspend voting rights (if any) and the right to the use of the recreational facilities owned by the Association of any Member or associate Member if any charge owed remains unpaid; or for any continuing violation of these Covenants, after the existence of the violation has been brought to the attention of the Member in writing by the Association; or during the period that any utility bill for water or sewer service remains unpaid.

Section 5. Additional Common Areas. Some areas within Fairfield Pagosa may have additional common areas or facilities designed to serve specific portions of the Property. If so, there may be additional owner's associations with supplemental assessment rights for purposes of operating and maintaining these additional facilities. Any such additional associations or assessment rights will be specified in the Supplemental Covenants for the areas involved.

Article III. Purpose

It being the intent and purpose of this Supplemental Declaration to include any and all lands hereinafter developed and sold by Declarant for residential, resort or retirement purposes. Property added to the Fairfield Pagosa development by Declarant by way of execution of a Declaration of Restrictions shall incorporate this Supplemental Declaration therein by reference.

IN WITNESS WHEREOF, Fairfield - Eaton, Inc. and Colorado Land Title Company have caused these presents to be executed and their corporate seals to be hereto affixed all by order of their Board of Directors duly given, this the day and year first above written.
