Every outdoor receptacle for ashes, trash, rubbish or garbage shall be installed underground, screened or so placed and kept as not to be visible from any street, waterway or golf course within the Subdivision at any time except during refuse collections.

J. All outdoor clothes poles, clothes lines and similar equipment shall be so placed or screened by shrubbery as not to be visible from any street, waterway or golf course within the Subdivision.

K. No owner of any lot shall build or permit the building thereon of any dwelling house that is to be used as a model house or exhibit unless prior written permission to do so shall have been obtained from the Committee.

L. All lots, whether occupied or unoccupied, and any improvements placed thereon, shall at all times be maintained in such manner as to prevent their becoming unsightly by reason of unattractive growth on such lot or the accumulation of rubbish or debris thereon.

M. No noxious, offensive or illegal activities shall be carried on on any lot nor shall anything be done on any lot that shall be or become an unreasonable annoyance or nuisance to the neighborhood.

N. No oil or natural gas drilling, refining, quarrying, or mining operations of any kind shall be permitted upon or in any lot and no derrick or other structure designed for use in boring for oil or natural gas shall be erected, maintained or permitted on any lot.

O. No commercial type truck shall be parked for storage overnight or longer, on any lot in the Subdivision in such a manner as to be visible to the occupants of other lots in the Subdivision or the users of any street, waterway, or golf course within the Subdivision, unless the prior written approval of the Committee has been obtained.

P. Any dwelling or outbuilding on any lot in the Subdivision which may be destroyed in whole or in part by fire, windstorm or for any other cause, or act of God must be rebuilt or all debris removed and the lot restored to a slightly condition with reasonable promptness, provided, however, that in no event shall such debris remain longer than sixty (60) days.

Q. No tree over three (3) inches in diameter shall be removed from any numbered lot in the Subdivision without the written consent of the Committee.

R. No exterior television or radio antenna of any kind shall be constructed or erected on any lot or residence after such time as a central television system has been made available to the Subdivision at rates commensurate with those prevailing in the area.

S. No trash, ashes, garbage or other refuse shall be dumped or stored or accumulated on any lot or be thrown into or left on the shoreline of any waterway in the Subdivision. No outside burning of wood, leaves, trash, garbage or household refuse shall be permitted. In order to enhance the appearance and orderliness of the Subdivision, the Declarant hereby reserves for itself, its successors and assigns, the exclusive right to operate, or from time to time to grant an exclusive license to a third party to operate a commercial scavenging service within the Subdivision for the purpose of removing garbage, trash and other like household refuse. Such refuse collection and removal service shall be provided not less often than once each week on a day or days designated by the Declarant or its successors or assigns. The charge to be made for such refuse collection and removal service shall be at a reasonable rate commensurate with the rates charged by commercial scavengers serving other subdivisions of high standards in the area, and shall be subject to change from time to time.

T. No change in ground level may be made of any lot in excess of one foot from existing grades without the written approval of the Committee obtained prior to the commencement of work.

B. VARIANCES

The Committee may allow reasonable variances and adjustments of these Restrictions in order to overcome practical difficulties and prevent unnecessary hardships in the application of the provisions contained herein; provided, however, that such is done in conformity with the intent and purposes hereof and provided also that in every instance such variance or adjustment will not be materially detrimental or injurious to other property or improvements in the neighborhood, the Subdivision.

9. EASEMENTS

A. The Declarant reserves unto itself, its successors and assigns, certain easements along, across, over and upon the real estate that constitutes the Subdivision. The easements so reserved by the Declarant are described as follows:

- (1) Declarant, for itself, its successors and assigns and licensees, reserves a ten (10) foot wide easement along all road rights-of-way, and rear property lines, and a five (5) foot easement along the side lines of each and every lot in the Subdivision for the purpose of installing, maintaining and operating utility lines and mains thereon, together with the right to trim, cut or remove any trees and/or brush, and the right to locate guy wires, braces and anchors wherever necessary for said installation, maintenance and operations, together with the right to install and maintain and operate utility lines and mains and appurtenances thereto, and reserving unto itself, its successors, assigns and licensees, the right to ingress and egress to such areas for any of the purposes heretofore mentioned. No permanent building shall be placed on such easements, but the same may be used for gardens, shrubs, landscaping and other purposes, provided that such use or uses does not interfere with the use of such easement for their intended purposes. In instances where an owner of two or more adjoining lots erects and constructs a dwelling or building which will cross over or through a common lot line, the same shall not be subject to the aforementioned five (5) foot easement along or upon the contiguous or common lot line, except where utility lines or mains have been platted or installed.
- (2) Declarant further reserves for itself, its successors, assigns and licensees, for lake and shoreline maintenance and control along that portion of each lot contiguous to the shoreline of all lakes, an easement ten (10) feet wide. Any such lot shall be subject to a flowage easement to an elevation on the lot equal to the high-water elevation of the adjacent lake.
- (3) Declarant for itself, its successors, assigns and licensees, reserves a twenty-five (25) foot wide easement along all rights-of-way for the purpose of cutting and filling and drainage. Declarant further reserves unto itself, its successors and assigns and licensees, the right to cause or permit drainage of surface water over and/or through said lots, and further, it reserves an easement on, over and under all road rights-of-way for the purpose of installing, maintaining and operating utilities or drainage.
- (4) Each lot shall further be subject to an easement for the maintenance and permanent stabilization control of slopes.

- (5) No owner of any lot in the Subdivision shall have any claim or cause of action against Declarant, its successors, assigns or licensees, either in law or in equity, and arising out of exercise of any easement reserved hereunder, excepting in cases of wilful or wanton negligence.
- (6) All lot owners will install dry culverts between the road rights-of-way and their lots in conformity with specifications and recommendations of the Committee hereinabove described.

B. Rules for Determination of Location of Easements

The rules prescribed in paragraph six (6) of the Restrictions above for the establishment of set-back lines that must be measured from meandered lines may be applied, whenever necessary, and with such adaptations as are necessary, in defining the location of any easement that is to encumber a strip of land contiguous to a meandered line.

C. Declarant reserves for itself, its successors or assigns an exclusive easement for the installation and maintenance of radio and television transmission cables with the rights-of-way and easement areas reserved and defined in paragraph 9A(1) above.

D. On each lot, the rights-of-way and easement areas reserved by Declarant or dedicated to public utilities purposes shall be maintained continuously by the owner but no structures, plantings or other material shall be placed or permitted to remain or other activities undertaken which may damage or interfere with the installation or maintenance of utilities, which may change the direction of flow of drainage channels in the easements, which may obstruct or retard the flow of water through drainage channels in the easements, or which damage or interfere with established slope ratios or create erosion or sliding problems, provided, however that where the existing location of a drainage channel would hinder the orderly development of a lot the drainage channel may be relocated provided such relocation does not cause an encroachment on any other lot in the Subdivision and upon written approval from the Committee. Improvements within such areas shall also be maintained by the respective lot owner except for those for which a public authority or utility company is responsible.

E. Whenever two or more contiguous lots in the Subdivision shall be owned by the same person, and such person shall desire to use two or more of said lots as a site for a single-dwelling house, he shall apply in writing to the Committee for permission to so use said lots. If written permission of such a use shall be granted, the lots constituting the site for such single-dwelling house shall be treated as a single lot for the purpose of applying these Restrictions to said lots, so long as the lots remain improved with a single-dwelling house.

F. The lots in the Subdivision shall be burdened by such additional easements as may be shown on the recorded plats, however, in the event of conflict, the provisions of these Restrictions shall prevail.

G. Every lot in the Subdivision that lies contiguous to a lake or other waterway shall be subject to an inundation or a flowage easement to an elevation on the lot equal to the high-water line.

10. OWNERSHIP, USE AND ENJOYMENT OF PARKS AND RECREATIONAL AMENITIES

A. All parks, recreational facilities and other amenities within the Subdivision are private, and neither the Declarant's recording of the plat nor any other act of Declarant with respect to the plat, shall be construed as a dedication to the public, but rather all such parks, recreational facilities and other amenities shall be for the use and enjoyment of members or associate members of the Pagosa Property Owners Association, Inc., to residents of rental properties, other classifications of persons as may be designated by the Declarant, and to the guests of such members of the Association or other residents of Pagosa who qualify for the use and enjoyment of the facilities.

B. The ownership of all recreational facilities within the Subdivision shall be in Declarant or its designee, however, Declarant may convey or otherwise transfer any or all of the facilities to the Pagosa Property Owners Association, Inc., and such conveyance shall be accepted by it, provided it is free and clear of all financial encumbrances.

11. PAGOSA PROPERTY OWNERS ASSOCIATION, INC.

A. Every person acquiring legal or equitable title to any lot in the Subdivision, except limited commercial lots, C-1, becomes a member of the Pagosa Property Owners Association, Inc., a Colorado non-profit corporation, herein referred to as "Association," and with such ownership in the Subdivision and membership in the Association he then becomes subject to the requirements and limitations imposed in these Restrictions and to the regulations and assessments of the Association, with the exception, however, of such person or persons who hold an interest in any such lot merely as security for the performance of an obligation to pay money, e.g., mortgages, deeds of trust, or real estate contract purchases. However, if such a person should realize upon his security and become the real owner of a lot within the Subdivision, he will then be subject to all the requirements and limitations imposed in these Restrictions on owners of lots within the Subdivision and on members of the Association; including those provisions with respect to alienation and the payment of an annual charge.

B. The general purpose of the Association is to further and promote the community welfare of property owners in the Subdivision.

C. The Association shall be responsible for the maintenance, upkeep and repair, and the establishment and enforcement of rules and regulations concerning the operation and use, of all recreational facilities, and other properties within the Subdivision as it may from time to time own or agree to maintain. The Association may provide fire and police protection for the residents of the Subdivision.

In the event that the Association at any time fails to properly maintain such parks and recreational facilities, or fails to provide adequate fire and police protection, the Declarant may in its sole discretion enter upon and make any and all repairs, or may maintain any of the properties under the responsibility of the Association, or the Declarant may adopt measures to provide adequate fire and police protection and may charge the Association for all such repairs or protections, provided, however, that Declarant shall under no circumstances be obligated to take any such action.

D. The Association shall have all the powers that are set out in its Articles of Incorporation and all other powers that belong to it by operation of law, including (but not limited to) the power to assess and collect from every member of the Association a uniform monthly charge per single-family residential lot within the Subdivision. The amount of such charge is to be determined by the Board of Directors of the Association for the purposes set forth in the Articles of Incorporation, and the charge in no event shall be less than Two (\$2.00) Dollars per month, payable annually, and provided further that no such charge shall ever be made against, or be payable by, the Declarant, the Association itself, or any entity that may be created to acquire title to, and operate, the water or sewer utilities serving the Subdivision, any commercial operations or any waterway, beach, access tract, marina, golf course, tennis courts, swimming pool, clubhouse, clubhouse grounds, campgrounds, or other like recreational facilities within the Subdivision.

All multiple residential use lots shall pay a minimum charge of Two (\$2.00) Dollars per month per lot prior to construction; and, thereafter, a minimum charge of Two (\$2.00) Dollars for each living unit constructed.

Motel and hotel property owners may contract for the use of the recreational properties and facilities within the Subdivision for their guests upon such terms and conditions and for such fees as may be mutually agreed upon from time to time between the operators of such properties and the Declarant or the Board of Directors of the Association.

All monthly charges are payable annually by the member to the Association on or before the first day of May of each year, for the ensuing year. The Board of Directors of the Association shall fix the amount of the annual charge per lot by the first day of April of each year, and written notice of the charge so fixed shall be sent to each member in the event it is changed from the previous year.

Every person who shall become the legal or equitable owner of any lot in the Subdivision by any means is, by the act of acquiring such title, or by the act of contracting to acquire such title, held to have agreed to pay the Association all charges that the Association shall make in accordance with these Restrictions. If such payment is not made when due, it shall bear interest from the due date at the rate of eight (8) per cent per annum. Until paid such charges together with costs and reasonable attorney's fees required to secure payment thereof shall constitute a perpetual lien on and against the property charged. The Association may publish the name of a delinquent member and may file notice that it is the owner of a lien to secure payment of the unpaid charge plus costs and reasonable attorney's fees and may foreclose the lien in accordance with the laws of the State of Colorado.

The Association shall upon demand at any time furnish a list of members who have paid such assessment or of such members who are then delinquent in the payment of such assessments.

E. The fund accumulated as a result of the charges levied by the Association shall be used exclusively for the purposes of promoting the recreation, health, safety and welfare of the members of the Association and in particular providing police and fire protection and the maintenance of the waterways, parks and other recreational facilities.

F. The lien of a mortgage or deed of trust placed upon any lot for the purpose of permanent financing and/or constructing a residence or other improvement thereon, shall be superior to any such lien as provided for in these Restrictions.

G. The Board of Directors of the Association shall have the right to suspend voting rights (if any) and the right to the use of the recreational facilities of any member or associate member if any charge owed (as assessed under paragraphs 11-D and 12 of these Restrictions) remains unpaid; or for any continuing violation of the restrictive covenants for the Subdivision, after the existence of the violation has been brought to the attention of the member in writing by the Board of Directors of the Association; or during the period that any utility bill for water or sewer service remains unpaid.

12. ASSOCIATION'S RIGHT TO PERFORM CERTAIN MAINTENANCE

In the event an owner of any lot in the Subdivision shall fail to maintain the premises and the improvements situated thereon in a manner satisfactory to the Board of Directors of the Association, the Association shall have the right to enter upon said lot and repair and restore the lot and the exterior of any improvements erected thereon. Such right shall not be exercised unless two-thirds (2/3) of the Board of Directors shall have voted in favor of such action. The cost of such exterior restoration and maintenance shall be added to and become a part of the annual charge to which such lot is subject. The Association shall not be liable for any damage which may result from any maintenance work performed hereunder.

13. LAKE FRONTAGE LOTS

A. Certain lots in the Subdivision are contiguous to a lake which has been or is to be established within the boundaries of the Subdivision. The water in, and the land under said lake is and will be owned by the Declarant. Said lake is depicted in the recorded Subdivision plat and the normal pool water elevation and the high water elevation of said lake is, and will be as determined by the spillway elevation of said lake. The title that will be acquired by the grantee of the Declarant's title to any of said contiguous lots (and by the successors and assigns of such grantee) will and shall extend only to the shoreline of the lake to which such lot is contiguous, as said shoreline would be established on the date hereof if the water elevation in said lake were at an elevation one vertical foot above the normal pool water elevation and as the shoreline may hereafter be established by the water, at an elevation one vertical foot above normal pool water elevation, by erosion from said shoreline. No such grantee, nor any of such grantee's successors or assigns, shall have any right with respect to any stream that is a tributary to said lake, or with respect to said lake, the land thereunder, the water therein, or its or their elevations, use or condition, and none of said lots shall have any riparian rights or incidents appurtenant; provided further that title shall not pass by reliction or submergence or changing water elevations. The Declarant, its successors and assigns, shall have the right at any time to dredge or otherwise remove any accretion or deposit from any of said lots in order that the shoreline of the lake to which the lot is contiguous may be moved toward, or to, but not inland beyond, the location of said shoreline as it would exist as of the date hereof if the water elevation in said lake were at an elevation one vertical foot above the normal pool water elevation and title shall pass with such dredging or other removal as by erosion.

B. The Declarant reserves to itself, and to the Association, and its successors and assigns, such an easement upon, across and through each of said lots contiguous to said lake as is necessary in connection with operating said lake. Without limiting the generality of the immediately preceding sentence, it is declared that neither the Declarant nor any successor or assign of the Declarant shall be liable for damages caused by ice, erosion, washing or other action of the water.

C. The Declarant reserves to itself, and its successors and assigns, the right to raise and lower the elevation of said lake, but neither the Declarant nor any successor or assign of the Declarant shall have an easement to raise (by increasing the height of any dam or spillway, or otherwise) the high water elevation of any of said lake to an elevation above the normal pool water elevation.

14. CHARGES FOR WATER AND SEWER SERVICE

A. Every legal or equitable owner of a lot in the Subdivision shall pay charges for water and sewer service in accordance with rates approved by the entity having jurisdiction in the matter. At such time as water or sewer service is available to the owner of a lot, he shall pay a water connection fee and/or a sewer connection fee in amounts established by the entity having jurisdiction in the matter. Unless otherwise determined by the entity having jurisdiction in the matter, water service shall be deemed to be available for purposes of this paragraph when water lines are installed, operative and ready for connection within one hundred feet of any property line of a lot and sewer service shall be deemed to be available when sewer lines are installed, operative and ready for connection within four hundred feet of any property line of a lot.

B. Easements in addition to those reserved throughout these Restrictions and on the recorded plats shall be granted for the practical construction, operation and maintenance of such water and sewer facilities upon request of the Declarant or the entity having jurisdiction in the matter.

15. INCLUSION OF ADDITIONAL SUBDIVISIONS

Declarant, may, from time to time, and in its sole discretion, subject to restrictions substantially the same as those set forth herein, additional Subdivisions to be located within the Development. Such additional Subdivisions shall be subjected to such restrictions upon the recordation thereof in the appropriate records of Archuleta County, Colorado. Such restrictions shall be substantially the same as those contained herein, provided, however, that;

- (1) Such restrictions may impose additional limitations upon the property subject thereto.
- (2) Such restrictions shall not discriminate against lot owners whose property is included in an existing Subdivision already subject to restrictions.
- (3) Lot owners in such additional subdivisions shall become members of the Association in the same manner herein provided and shall have the same privileges, obligations and responsibilities as set forth herein.

16. REMEDIES

A. The Association or any party to whose benefit these Restrictions inure, including the Declarant, its successors and assigns, may proceed at law or in equity to prevent the occurrence, continuation or violation of any of these Restrictions; provided, however, that it is expressly understood that neither Declarant nor the Association shall be liable for damages of any kind to any party for failing to either abide by, enforce, or carry out any of these Restrictions.

B. No delay or failure on the part of an aggrieved party to invoke an available remedy set forth in 16A above in respect of a violation of any of these Restrictions shall be held to be a waiver by that party of (or an estoppel of that party to assert) any right available to him upon the recurrence or continuation of said violation or the occurrence of a different violation.

17. GRANTEE'S ACCEPTANCE

A. The Grantee of any lot subject to the coverage of this Declaration, by acceptance of a deed conveying title thereto, or the execution of a contract for the purchase thereof, whether from Declarant or a subsequent owner of such lot, shall accept such deed or contract upon and subject to each and all of these Restrictions and the agreements herein contained, and also the jurisdiction, rights and powers of Declarant and of the Association and by such acceptance shall for himself, his heirs, personal representatives, successors and assigns, covenant, consent and agree to and with Declarant, the Association, and to and with the grantees and subsequent owners of each of the lots within the Development to keep, observe, comply with and perform said Restrictions and agreements.

B. Each such grantee also agrees, by such acceptance, to assume, as against Declarant, its successors or assigns, all the risks and hazards of ownership or occupancy attendant to such lot, including but not limited to its proximity to golf course fairways or waterways.

18. SEVERABILITY

Every one of the Restrictions is hereby declared to be independent of, and severable from, the rest of the Restrictions and of and from every other one of the Restrictions and of and from every combination of the Restrictions. Therefore, if any of the Restrictions shall be held to be invalid or to be unenforceable or to lack the quality of running with the land, that holding shall be without effect upon the validity, enforceability, or "running" quality of any other one of the Restrictions.

19. CAPTIONS

The underlined captions preceding the various paragraphs and subparagraphs of these Restrictions are for convenience of reference only, and none of them shall be used as an aid to the construction of any provision of the Restrictions. Whenever and whenever applicable, the singular form of any word shall be taken to mean or apply to the plural, and the masculine form shall be taken to mean or apply to the feminine or to the neuter.

IN WITNESS THEREOF, the Declarant has executed this Declaration on the day and year first above written.

(e) "limited common elements" means those parts of the general common elements which are either limited to or reserved for the exclusive use of an owner of a condominium unit or are limited to and reserved for the common use of more than one but less than all the condominium unit owners;

(j) "map" means and includes the engineering survey of the land located thereon, all improvements, the floor and elevation plans and any other drawing or diagrammatic plan depicting a part of or all of the improvements and land.

2. Condominium Map. The map shall be filed for record and shall depict and show at least the following: the legal description of the land and a survey thereof; the location of the buildings; the floor elevation plans; the location of the units within the buildings, both horizontally and vertically; and the unit designations and the building numbers. The map shall contain the certificate of a registered, professional engineer or a licensed architect, or both, verifying that the map substantially depicts the location and the horizontal and vertical measurements of the building, the units, the unit designations, the dimensions of the units, the elevations of the floors and ceilings as constructed, the building number or symbol and that such map is prepared subsequent to completion of any improvements.

3. Division of Property into Condominium Units. The real property is hereby divided into the following fee simple estates, each such estate consisting of the following:

The separately designated units and the undivided interest in and to the general common elements that are appurtenant to each unit as is set forth in the attached Exhibit "A", which by this reference is made a part hereof. Each such unit shall be identified on the map by number and building symbol as shown on the Exhibit.

4. Limited Common Elements. Portions of the general common elements are reserved for the exclusive use of the individual owners of the respective units, and such areas are referred to as "limited common elements." The limited common elements so reserved shall be identified on the map as described on Exhibit "B".

5. Automobile Parking. Except for the parking areas delineated above as a limited common element to any particular unit, each owner shall have a co-equal right to use the parking areas; provided, however, that the association, through its Board of Managers, shall

maintain control thereof and shall have the right to designate and assign each owner a specific parking space.

6. Inseparability of a Condominium Unit. Each unit, the appurtenant undivided interest in the general common elements and the appurtenant limited common elements shall together comprise one condominium unit, shall be inseparable, and may be conveyed, leased, devised or encumbered only as a condominium unit.

7. Description of a Condominium Unit. Each contract for the sale of a condominium unit written prior to filing of record of the map may legally describe a condominium unit by its identifying unit number, the building number, followed by the words "The Timbers" with a reference to the map thereof and the Declaration filed for record. Subsequent to the filing of the map and recording of the Declaration, every deed, lease, mortgage, trust deed, will or other instrument may legally describe a condominium unit by its identifying unit number, followed by the words "The Timbers" with further reference of the map thereof filed for record and the recorded Declaration. Each such description shall be good and sufficient for all purposes to sell, convey, transfer, encumber or otherwise affect not only the unit, but also the general common elements and the limited common elements appurtenant thereto. Each such description shall be construed to include a non-exclusive easement of ingress and egress to an owner's unit and use of all the general common elements.

8. Separate Assessment and Taxation - Notice to Assessor. Declarant shall give written notice to the assessor of the County of Archuleta, State of Colorado, of the creation of the condominium ownership of this property, as is provided by law; each such unit and the undivided interest in the general common elements appurtenant thereto shall be deemed a parcel and subject to separate assessments and taxation.

9. Ownership - Title. A condominium unit may be held and owned by more than one person as joint tenants or as tenants in common, or in any real property tenancy relationship recognized under the laws of the State of Colorado.

BOOK 186 PAGE 916

10. Non-partitionability of General Common Elements. The general common elements shall be owned in common by all of the owners of the units and shall remain undivided, and no owner shall bring any action for partition or division of the general common elements. Nothing contained herein shall be construed as a limitation of the right of partition of a condominium unit between the owners thereof, but such partition shall not affect any other condominium unit.

11. Use of General and Limited Common Elements. Each owner shall be entitled to exclusive ownership and possession of his unit. Each owner may use the general and limited common elements in accordance with the purpose for which they are intended, without hindering or encroaching upon the lawful rights of other owners.

12. Use and Occupancy. All units shall be used and occupied by the owner, his family or their guests, and his tenants and their guests.

13. Easements and Encroachments. If any portion of the general common elements encroaches upon a unit or units, a valid easement for the encroachment and for the maintenance of same, so long as it stands, shall and does exist. If any portion of a unit encroaches upon the general common elements, or upon an adjoining unit or units, a valid easement for the encroachment and for the maintenance of same, so long as it stands, shall and does exist. Such encroachments and easements shall not be considered or determined to be encumbrances either on the general common elements or on the unit. In the event the condominium project or any part thereof is destroyed and subsequently rebuilt, substantially as before, valid easements for encroachment will exist. Such encroachments and easements shall not be considered or determined to be encumbrances either on the general common elements or on the unit.

14. Mechanic's Lien rights and Indemnification. No labor performed or materials furnished and incorporated in an unit with the consent or at the request of the unit owner or his agent or his contractor or subcontractor shall be basis for filing of a lien against the unit of any other unit owner not expressly consenting

to or requesting the same, or against the general common elements. Each owner shall indemnify and hold harmless each of the other owners from and against all liability arising from the claim of any lien against the unit of any other owner or against the general common elements for construction performed, for labor, materials, services or other products incorporated in the owner's unit at such owner's request.

15. Administration and Management. The administration and management of this condominium property shall be governed by the by-laws of the association. An owner of a condominium unit, upon becoming an owner, shall be a member of the association and shall remain a member for the period of his ownership. The association shall be initially governed by a Board of Managers as is provided in the by-laws of the association. The association may delegate, by written agreement, any of its duties, powers and functions to any person or firm to act as managing agent.

16. Certificate of Identity. There shall be recorded from time to time a certificate of identity and the addresses of the persons then comprising the management body (managers and officers), together with the identity and addresses of managing agent, if such has been designated by the association. Such certificate shall be conclusive evidence thereof in favor of any person relying thereon in good faith, regardless of time elapsed since the date thereof.

17. Reservations for Access - Maintenance, Repair and Emergencies. The association shall have the irrevocable right, to be exercised by the Board of Managers of the association, to have access to each unit from time to time during reasonable hours, as may be necessary for the maintenance, repair and replacement of any of the general common elements therein or accessible therefrom, or for making emergency repairs therein necessary to prevent damage to the general common elements or to another unit or units. Damages to the interior or any part of the unit or units resulting from the maintenance, repair, emergency repair or replacement of any of the general common elements or as a result of an emergency repair within another

unit at the instance of the association shall be a common expense of all of the owners, provided, however, that if such damage is a result of the misuse or negligence of the unit owner, then such unit owner shall be responsible and liable for all such damage. All damage to improvements shall be restored to substantially the same condition of such improvement prior to damage. All maintenance, repairs and replacements as to the general common elements, whether located inside or outside of the unit, shall be the common expense of all the unit owners, unless necessitated by the negligence or misuse of an unit owner, in which case such expense shall be charged to such unit owner.

18. Owner's Maintenance Responsibility of Unit, Balcony Area and Parking Area. For purposes of maintenance, repair, alteration, and remodeling, an owner shall be deemed to own the interior non-supporting walls, the materials (such as, but not limited to, plaster, gypsum drywall, paneling, wallpaper, paint, walls and floor tile and flooring, but not including the subflooring) making up the finished surfaces of the perimeter walls, ceiling and floors within the unit, including unit doors and windows. The owner shall not be deemed to own lines, pipes, wires, conduits or systems (hereinafter referred to as utilities) running through his unit which serves one or more other units, except as a tenant in common with the other owners. Such utilities shall not be disturbed or relocated by an owner without the written consent and approval of the Board of Managers. Such right to repair, alter and remodel is coupled with the obligation to replace any finishing or other materials removed with similar or other types or kinds of materials. An owner shall maintain and keep in repair the interior of his unit including the fixtures thereof. All fixtures and equipment installed within the units, commencing at a point where the utilities enter the unit, shall be maintained and kept in repair by the owner thereof. An owner shall do no act or any work that will impair the structural foundation or integrity of the building, impair any easement, or impair the general or limited common elements. An owner shall also keep the balcony area appurtenant to his unit in a clean and sani-

itary condition and free and clear of all snow, ice and any accumulation of water. All other maintenance and repairs to any limited common element, except as caused or permitted by the owner's negligence, misuse or neglect thereof, shall be a common expense of all owners.

19. Compliance With Provisions of Declaration, By-laws of the Association. Each owner shall comply strictly with the provisions of this declaration, the certificate of incorporation and by-laws of the association, and the decisions and resolutions of the association adopted pursuant thereto and as the same may be lawfully amended from time to time. Failure to comply with any of the same shall be grounds for an action to recover sums due for damages or injunctive relief, or both, and for reimbursement of all attorney's fees incurred in connection therewith, which action shall be maintainable by the Board of Managers or an agent thereof in the name of the association on behalf of the owners, or, in a proper case, by an aggrieved owner.

20. Revocation or Amendment to Declaration. This declaration shall not be revoked unless all of the owners and all of the holders of any recorded mortgage or deed of trust covering or affecting any or all the condominium units unanimously consent and agree to such revocation by instruments duly recorded. This declaration shall not be amended unless the owners representing an aggregate ownership interest of seventy-five percent or more, of the general common elements and all of the holders of any recorded mortgage or deed of trust covering or affecting any or all the condominium units consent and agree to such amendment by instruments duly recorded, provided, however, that the percentage of the undivided interest in the general common elements appurtenant to each unit as expressed in this declaration, shall have a permanent character and shall not be altered without the consent of all the unit owners expressed in an amended declaration duly recorded, and provided, further, that revocation of this declaration shall always require the consent of all of the owners.

21. Additions, Alterations and Improvements of General and Limited Common Elements. There shall be no additions, alterations or improvements of or to the general and limited common elements

109273

requiring an expenditure in excess of \$2,000.00 in any one calendar year without prior approval of seventy-five percent of the owners. Such limitations shall not be applicable to the replacement, repair, maintenance or obsolescence of any general common elements or common property.

22. Assessments for Common Expenses. All owners shall be obligated to pay the assessments, either estimated or actual, imposed by the Board of Managers and the association to meet common expenses. The assessment shall be made according to each owner's percentage or fractional interest in and to that part of the general common elements. Assessments for the maintenance, repair or replacement of limited common elements shall be apportioned among the owners having the exclusive use thereof, equally among such owners, and owners not having interest in such limited common elements shall not be assessed for maintenance, repair or replacement thereof. Assessments for the estimated common expenses shall be due quarterly, in advance, on the first day of each quarter. The Board of Managers shall prepare and deliver or mail to each owner a quarterly statement for the estimated or actual common expenses.

In the event the ownership of a condominium unit commences on a day other than the first day of a quarter, the assessment for that quarter shall be prorated.

The assessments made for common expenses shall be based upon the cash requirements deemed necessary by the then Board of Managers of the association, which shall, from time to time, determine the sums to be paid by all of the condominium unit owners to provide for the payment of all estimated expenses growing out of or connected with the maintenance, repair, operation, additions, alterations and improvements of and to the general common elements, which sum may include, but shall not be limited to, expenses of management; taxes and special assessments until separately assessed; premiums for fire insurance issued in the amount of a maximum replacement value of all of the condominium units (including all fixtures; interior walls and partitions; decorated and finished surfaces of perimeter walls, floors and ceilings; doors, windows and other

109273

elements and materials comprising a part of the unit); casualty and public liability and other insurance premiums; landscaping and care of grounds, common lighting; repairs and renovations; legal and accounting fees; expenses and liabilities incurred by the Board of Managers on behalf of the unit owners under or by reasons of this declaration and the by-laws of the association; for any deficit remaining from a previous period; the creation of a reasonable contingency, reserves, working capital, as well as other costs and expenses relating to the general common elements. The omission or failure of the Board of Managers to fix the assessment for any period shall not be deemed a waiver, modification or release of the owners from their obligation to pay same.

23. Insurance.

(a) The Board of Managers of the association shall obtain and maintain at all times, insurance of the type and kind provided for hereinabove and providing for such other risks, of a similar or dissimilar nature as are or shall hereafter be customary for similar condominium buildings, fixtures, equipment and personal property, similar in construction, design and use, issued by a responsible insurance company authorized to do business in the State of Colorado. The insurance shall be carried in blanket policy form, naming the association the insured, as attorney-in-fact for all of the condominium owners, which policy or policies shall identify the interest of each condominium unit owner, and which policy or policies shall provide a standard, non-contributory mortgagee clause in favor of the first mortgagee. It shall also provide that the policy shall not be cancelled, either by the insured or the insurance company, until ten days prior written notice is first given to each owner and each first mortgagee. The Board of Managers shall also obtain and maintain, to the extent obtainable, public liability insurance in such limits as may, from time to time, be determined, covering each unit owner and each member of the Board of Managers. Such public liability coverage shall also cover cross liability claims of one insured against another and shall contain waivers of subrogation.

(b) Determination of maximum replacement value of all

condominium units and improvements owned by the association shall be made annually. Each owner may obtain additional insurance at his own expense for his own benefit, provided that all such policies shall contain a waiver of subrogation and provided, further, that the liability of the carrier issuing such insurance shall not be affected or diminished by reason of any such insurance carried by any unit owner. In no event shall the insurance policy contain a co-insurance clause for less than ninety percent of full replacement cost.

(c) Insurance coverage on furnishings and other items of personal property belonging to an owner and casualty and public liability insurance coverage within each individual unit shall be the responsibility of the unit's owner thereof.

24. Owner's Personal Obligation for Payment of Assessments.

The amount of common expenses assessed against each condominium unit shall be the personal, individual debt of the owner thereof. No owner may exempt himself from liability for his contribution toward the common expenses by waiver of a use or employment of any of the common elements or by the abandonment of his unit. The Board of Managers shall have the responsibility to take all actions to collect any unpaid assessments which remain unpaid more than fifteen days from the due date for payment thereof. In the event of default in a payment of the assessment, the unit owner shall be obligated to pay interest at the rate of twelve percent per annum on the amount of the assessment from the due date thereof, together with all expenses, including attorney's fees, incurred, together with such late charges as provided by the by-laws of the association. Suit to recover a money judgment for unpaid common expenses shall be maintainable without foreclosing or waiving the liens securing same.

25. Assessment Liens. All sums assessed but unpaid for the share of common expenses chargeable to any condominium unit shall constitute a lien on such unit, superior to all other liens and encumbrances, excepting only taxes and special assessment liens on the unit in favor of any assessing unit, and all sums unpaid on the first mortgage or first deed of trust of record, including all unpaid

obligatory sums as may be provided for such encumbrance. To evidence such a lien, the Board of Managers shall prepare a written notice of lien assessment, setting forth the amount of such unpaid indebtedness, the name of the owner of the condominium unit and a description of the condominium unit. Such a notice shall be signed by one of the Board of Managers or by one of the officers of the association and shall be recorded in the office of the Clerk and Recorder of Archuleta County, Colorado. Such liens for the common expenses shall attach from the date of failure of payment of the assessment. Such lien may be enforced by the foreclosure of the defaulting owner's condominium unit by the association in like manner as a mortgage on real property subsequent to the recording of the notice or claim thereof. In any such proceeding, the owner shall be required to pay the cost, expenses and attorney's fees incurred for filing the lien, and in the event of foreclosure proceedings, all expenses and reasonable attorney's fees thereby incurred. The owner of the condominium unit being foreclosed shall be required to pay to the association a monthly assessment of a condominium unit during the period of foreclosure, and the association shall be entitled to a receiver to collect the same. The association shall have the power to bid on the condominium unit at the foreclosure or other legal sale and to acquire and hold, lease, mortgage, vote the vote appurtenant to, convey or otherwise deal with same. Any encumbrancer holding a lien on a condominium unit may pay, but shall not be required to pay, any unpaid common expenses payable with respect to such unit and upon such payment, such encumbrancer shall have a lien on such unit for the amounts paid of the same rank as the lien of his encumbrance.

199273
26. Liability for Common Expenses Upon Transfer of Condominium Unit is Joint. Upon payment to the association of a reasonable fee, not to exceed \$50.00, upon the written request of any owner or any mortgagee or perspective mortgagee of the condominium unit, the association shall issue a written statement setting forth the amount of the unpaid common expenses with respect to the subject unit, the amount of the current monthly assessments and the date such assessment becomes due, which statement shall be conclusive upon the

association in favor of all persons who rely thereon in good faith. The grantee of a condominium unit shall be jointly and severally liable for the unpaid common assessments up to the time of a grant or conveyance, without prejudice to the grantee's right to recover from the grantor the amounts paid by the grantee; provided, however, that upon payment of a reasonable fee, not to exceed \$50.00, and upon a written request, any such prospective grantee shall be entitled to a statement from the association setting forth the amount of the unpaid assessment with respect to the subject unit, the amount of the current monthly assessment, the date such assessment is to become due, and credits of any advance payments of common assessments for prepaid items which statement shall be conclusive upon the association. Unless such request for such statement shall be complied with within ten days, then such requesting grantee shall not be liable for nor shall the unit conveyed be subject to a lien for any unpaid assessments against the subject unit. This paragraph shall not apply to the initial sale and conveyances of the condominium unit made by Declarant and such sale shall be free from all common expenses to the date of conveyance, or to a date agreed upon by Declarant and Declarant's grantee.

27. Association as Attorney-in-fact. The association is hereby appointed and designated as attorney-in-fact for the purpose of rebuilding, repairing, or conveying the property for the benefit of, and on behalf of, all owners if the property is partially or completely destroyed or in need of repair. In the event of reconstruction all insurance proceeds payable on account of such destruction shall be paid to the property owners association for the purpose of rebuilding or repairing the property. Nothing herein to the contrary provided, any rebuilding or repairing of the property, except normal day-to-day maintenance and repair, shall require the prior written consent of all first position mortgagees or first position beneficiaries of deed of trust encumbering said property.

28. Personal Property for Common Use. The association, as attorney-in-fact, for all of the owners, may acquire and hold for use and benefit of all the condominium unit owners real, tangible

and intangible personal property and may dispose of the same by sale or otherwise. The beneficial interest in any such property shall be owned by all of the unit owners in proportion to their respective interest in the general common elements and such interest shall not be transferable except with a transfer of condominium units. A transfer of a condominium unit shall transfer to the transferee ownership of the transferor's beneficial interest in such property without any reference thereto. Each owner may use such property in accordance with the purpose for which it is intended without hindering or encroaching upon the lawful rights of the other owners. Transfer of title to a condominium unit under foreclosure shall entitle the purchaser to the beneficial interest in such personal property associated with the foreclosed condominium unit.

29. Registration and Mailing Address. Each owner shall register his mailing address with the association and notices and demands intended to be served upon an owner shall be sent by mail, postage paid, addressed to the name of the owner at such registered mailing address. Such action by the association shall be deemed to be sufficient and proper notice or demand to a unit owner for purposes of this declaration and the by-laws promulgated thereunder.

30. Period of Condominium Ownership. The separate condominium estates created by this declaration and the map shall continue until this declaration is revoked in a manner as provided otherwise in this declaration.

31. General.

(a) If any of the provisions of this declaration or any paragraph, sentence, clause, phrase or word, or the application therein in any circumstances be invalidated, such invalidity shall not affect the validity of the remainder of this Declaration and the application of any such provision, paragraphs, sentence, clause, phrase or word in any other circumstance shall not be affected thereby.

(b) The provisions of this declaration shall be in addition to and supplemental to the Condominium Ownership Act of the State of Colorado, and to all other provisions at law.

(c) Unless the context shall otherwise provide, whenever

used herein, the singular shall include the plural, the plural the singular, and the use of any gender shall include all genders.

IN WITNESS WHEREOF, Declarant has duly executed this Declaration this 22nd day of ~~December~~ ^{January}, 1982, 1981.

WHEREAS, Declarant has conveyed the legal title to certain properties in Fairfield Pagosa to Title Company pursuant to a Title Clearing Agreement dated June 21, 1983 for the purpose of providing a convenient method of conveying title, releasing encumbrances and protecting the interest of the parties as their interests may appear; and

WHEREAS, Declarant is the developer of certain lots in the subdivisions hereinafter enumerated, which subdivisions are located in Fairfield Pagosa,

Plats of said subdivisions being recorded in the Archuleta County Recorder's Office in the Books at the Pages hereinafter enumerated, the aforesaid subdivisions and the recordation data of the respective plats and Declaration of Restrictions being attached hereto as Exhibit A; and

WHEREAS, Declarant is also the owner and/or developer of certain un-numbered land or lands in Fairfield Pagosa which lands are intended for commercial, multiple dwelling, condominium or hotels, or recreational uses; and,

WHEREAS, certain of the aforesaid unnumbered land or lands have been developed by Declarant as recreational amenities; and,

WHEREAS, Declarant may hereafter develop other of said lands as recreational amenities; and,

WHEREAS, the recreational amenities hereinabove referred to include or may hereafter include but shall not be limited to, dams, lakes, beaches, golf courses, tennis courts, swimming pools, club houses and adjacent clubhouse grounds, and campgrounds; and

WHEREAS, the aforesaid recreational amenities are provided to further and promote the community welfare of property owners in Fairfield Pagosa; and

WHEREAS, any or all of the aforesaid recreational amenities may be conveyed by the Declarant or the operation thereof may be transferred to one or more non-profit property owners associations, whereupon the maintenance, repair, and upkeep, of such recreational amenities will be provided by said association(s); and

WHEREAS, Declarant desires to insure the maintenance, repair, and upkeep of such recreational amenities until such time if ever, as any or all of such recreational amenities may be conveyed or the operation thereof transferred to one or more non-profit property owners associations; and

WHEREAS, Declarant also desires to insure that all purchasers of lots in the subdivisions hereinafter enumerated in Exhibit A will be members of the Pagosa Property Owners Association, a Colorado non-profit corporation, hereinafter referred to as "Association";

NOW, THEREFORE, Declarant hereby declares that all numbered lots in the aforesaid subdivisions listed on Exhibit A attached hereto (1) owned by Declarant or Title Company at the date and time of recordation of this Supplemental Declaration or (2) hereafter acquired by Declarant or Title Company, its successors and assigns, are held and shall be held, conveyed, hypothecated or encumbered, leased, rented, used, occupied and improved subject to this

Supplemental Declaration as well as to the applicable Declaration of Restrictions hereinafter set forth in Exhibit A attached hereto; provided however that any lot heretofore sold by Declarant for which a deed has not been recorded shall not be subject to this Supplemental Declaration (unless hereafter acquired by Declarant, its successors or assigns) provided that the deed for such lot is recorded without reference therein to this Supplemental Declaration.

THE COVENANTS, CONDITIONS AND CHARGES HEREBY IMPOSED UPON SUCH LOTS ARE AS FOLLOWS:

Article 1. Recreational Amenity Fee

Section 1. Power to Levy Fee. The Declarant shall have the power to levy against each lot subject to the provisions hereof an annual charge, the amount of said charge to be determined solely by the Declarant after consideration of current and future needs of Declarant for the reasonable and proper maintenance, repair and upkeep of all recreational amenities owned by the Declarant or Title Company and actually provided at the date of the levy of such charge. The recreational fee may be collected for the Declarant by one or more designated property owners associations as a part of their common expenses.

Section 2. Successors and Assigns. The power to levy such charge shall inure also to the successors and assigns of each such recreational amenity, provided however, that no charge shall be levied by any such successor or assign within twelve (12) months following the date of levy by Declarant or by the predecessor in title to such successor or assign of a charge as provided herein for the maintenance, repair, and upkeep of the recreational amenity or amenities acquired by such successor or assign.

Section 3. Entities Not Subject to Fee. No such charge shall ever be levied against lots owned by the Declarant or Title Company, by any non-profit property owners association, or by any corporation or corporations that may acquire title to or operate any water or sewer utilities serving the area, or any dams, lakes, beaches, golf courses, tennis courts, swimming pools, club house grounds, or other like recreational facilities, regardless of whether such facilities are used by persons other than lot owners.

Section 4. Liens. Charges to be levied by the Declarant, its successors and assigns, for the maintenance, repair and upkeep of the recreational amenity or amenities during the ensuing year shall be determined on or before the first day of each year. Each such charge shall become a lien or encumbrance upon the lot upon which same is levied as of the aforesaid first day of January, and acceptance of each deed for a lot or the execution of the Contract of Purchase for a lot, shall be construed to be a covenant by the lot owner or lot purchaser to pay each such charge. Any lot acquired shall be taken subject to the lien for any unpaid prior charges, and every person who shall become the owner of the title, legal or equitable, to any lot subject to such a charge by any means whatsoever (other than a mortgagee under a mortgage or a trustee under a Deed of Trust) shall be deemed conclusively to have covenanted to pay to Declarant, its successors or assigns, any such charge or charges. However, if a mortgagee or trustee under a Deed of Trust should, through foreclosure or otherwise, become the equitable or real owner of the lot, he will then be subject to all provisions of these Covenants.

Section 5. Payment. Each such charge shall become due and payable on the first day of March of the year in which such charge is levied, and each such charge shall bear interest from its due date at the highest rate of interest allowed by law, which interest until paid shall also constitute a lien or encumbrance upon the lot to which said charge is applicable. Such charge shall be pro-rated from the date of execution of the lot purchase contract.

Section 6. Place of Payment. Payment of all charges provided for herein, whether levied by Declarant, its successors or assigns, shall be made to Declarant, its agents, successors, or assigns at Fairfield Pagosa, P. O. Box 4100, Pagosa Springs, Colorado, 81157 or to such replacement address or addresses of Declarant, its agents, successors or assigns as may be designated by Declarant.

Section 7. Remedies. The lien of each charge as provided for hereunder may be foreclosed by Declarant, its successors or assigns, at any time following the due date of the charge levied. In addition and as an alternative to the remedy of lien foreclosure, the Declarant, its successors and assigns, shall have the right and option to sue the lot owner or lot purchaser and any successor owner or owners of same for any and all unpaid charges, interest, costs and reasonable attorney's fees, in any court of competent

jurisdiction as for a debt owed by such lot owner or lot purchaser or successor lot owner or lot purchaser to Declarant, its successors or assigns.

Section 8. Priority. Any and all liens as provided for in this item shall be subordinate to the lien of a bona fide mortgage or Deed of Trust representing a first lien at any time placed upon any lot for the purpose of permanent financing provided said mortgage or Deed of Trust is recorded in accordance with the laws of the State of Colorado.

Section 9. Record Keeping. All funds accumulated from the charges levied hereunder by the Declarant, its successors and assigns, shall be separately reflected on the books of account of the Declarant or any other such owner, if any, of said amenities as pertaining to the recreational facilities of the subdivision.

Section 10. Suspension of Privileges. Declarant, its agents, successors or assigns shall have the right to publish a list of lots subject to charges hereunder, which charges are in a delinquent status; and Declarant, its successors and assigns, shall have the right to suspend the use of all recreational facilities owned by Declarant, its successors and assigns, by any person or persons basing the right of use of such recreational facilities upon the ownership or possession of any such lot for which charges provided for hereunder are delinquent.

Section 11. Use Fee. Nothing contained herein shall be interpreted or construed to prevent Declarant, its successors or assigns, from charging any user for the use of any amenities owned or operated by them, or any of them; including charges for individual services or goods provided users through such facilities.

Article II. Pagosa Property Owners Association

Section 1. General. The Pagosa Property Owners Association, Inc. is a Colorado non-profit corporation which is organized for the benefit of the residents and owners of property within the Fairfield Pagosa Resort to promote community welfare, strengthen and enhance property values and operate and be responsible for certain of the common areas.

Section 2. Membership in the Association. Every person acquiring legal or equitable title to any Lot shall automatically be a member of the Association, subject to the requirements imposed by these Covenants and the Articles.

Bylaws, rules and regulations of the Association. The provisions of this Section 1 will not apply to any persons who hold an interest in any Lot solely as security for the performance of an obligation to pay money, such as mortgages or deeds of trust. However, if any such person should, through foreclosure or otherwise, become the equitable or real owner of the Lot, he will then be subject to all provisions of these Covenants.

Section 3. Powers and Duties. The Association will have the powers and duties set forth in its Articles, Bylaws, rules and regulations, and applicable Declaration of Covenants and Restrictions, including the power to assess its Members, and the duty to maintain parks, recreational facilities and provide such other community services such as police and fire protection as it determines advisable. If the Association does not properly perform any of its required duties, Declarant shall have the right, but not the obligation, to perform such duties.

Section 4. Assessments.

- (a) Lots Subject to Assessments. All Lots subject to the provisions hereof shall be subject to assessments by the Association. However, no assessment shall be payable by Declarant, the Title Company, or the Association itself. In addition, neither Declarant, the Association, or any other entity shall pay assessments for portions of the Property utilized for public water or sewer services, community waterways, nonexclusive beaches, access tracts, marinas, golf courses, tennis courts, swimming facilities, clubhouses or grounds, campgrounds or other similar recreational facilities so designated by Declarant on any recorded plat or subsequently recorded document.
- (b) Basis of Assessments. The Association will adopt a budget at the beginning of each fiscal year and will set assessments for the year sufficient to fund its budgeted operations. The Association will then set the level of assessment for each Lot in a manner which equitably shares the expenses of the Association's operations based on the benefit each Lot derives from the Association, its size, value and other pertinent factors determined by the Association. Lots determined by the Association to be comparable will be assessed equally. The Association will promptly notify Lot Owners of their Lot's assessment by the first day of April each year.

(c) Payment. All assessments are payable annually on or before the first day of May each year. Every person who shall become the legal or equitable Owner of a Lot subject to assessments hereunder by any means is, by the act of acquiring such title, or by the act of contracting to acquire such title, held to have agreed to pay the Association all charges that the Association shall make in accordance with these Covenants. If such payment is not made when due, it shall bear interest from the due date at the rate of 12 percent per annum. Until paid, such charges, together with costs and reasonable attorneys' fees required to secure payment thereof, shall constitute a perpetual lien on and against the Lot charged. The Association may publish the name of a delinquent Member and may file notice that it is the holder of a lien to secure payment of the unpaid charge plus costs and reasonable attorneys' fees and may foreclose the lien in accordance with the laws of the State of Colorado. The Association shall, upon demand at any time, furnish a list of Members who have paid such assessments or of such Members who are then delinquent in payment of such assessments.

(d) Priority. The lien for unpaid Association assessments shall be junior and subordinate to any properly recorded First Lien on any portion of Fairfield Pagosa. However, all assessments coming due after any holder of a First Lien acquired actual or equitable title through foreclosure or otherwise shall constitute a lien on the lot involved as provided above. The Declarant's lien for unpaid recreational assessments provided in Article I and the Association's lien for unpaid assessments provided in this Article II shall be concurrent and on equal parity.

(e) Suspension of Voting Rights. The Association shall have the right to suspend voting rights (if any) and the right to the use of the recreational facilities owned by the Association of any Member or associate Member if any charge owed remains unpaid; or for any continuing violation of these Covenants, after the existence of the violation has been brought to the attention of the Member in writing by the Association; or during the period that any utility bill for water or sewer service remains unpaid.

Section 5. Additional Common Areas. Some areas within Fairfield Pagosa may have additional common areas or facilities designed to serve specific portions of the Property. If so, there may be additional owner's associations with supplemental assessment rights for purposes of operating and maintaining these additional facilities. Any such additional associations or assessment rights will be specified in the Supplemental Covenants for the areas involved.

Article III. Purpose

It being the intent and purpose of this Supplemental Declaration to include any and all lands hereinafter developed and sold by Declarant for residential, resort or retirement purposes. Property added to the Fairfield Pagosa development by Declarant by way of execution of a Declaration of Restrictions shall incorporate this Supplemental Declaration therein by reference.

IN WITNESS WHEREOF, Fairfield - Eaton, Inc. and Colorado Land Title Company have caused these presents to be executed and their corporate seals to be hereto affixed all by order of their Board of Directors duly given, this the day and year first above written.
